If you want to be the only Sponsor in your category (the only Bar, Arcade, Comic Book Store, Restaurant, Salon, Boutique, Grocer, ect ect) you can eliminate your competition's chance of being the only neat logo of the same business on our marketing!!! it's just an additional fee of \$100!

Library aka Silent Sponsorship's are also available if discretion is the flirtatious name of your game! Just let us know any amount over \$50 & you'll get a little glittery thank you card sent your way from the showgirls themselves! It's private & you don't have to have a spotlight on you!

We ask all Sponsorships be in monetary payment as we can not pay cast/crew or bills of the show in merchandise nor gift cards.

We provide receipts & invoices from Danger Dames Productions so you can file it for your taxes either as a donation to the fundraiser or as business expenses. Just let us know!
